November 11, 2010

Mr. Robert Hudson
Fire Chief of Montgomery County ESD No 08
335 Volunteer Lane
Spring, Texas 77380

Place Code: Montgomery: 34008

Dear Mr. Hudson:

Insurance Services Office (ISO) has submitted a recommendation concerning your community's Public Protection Classification (PPC). Currently, the Community's Public Protection Classification rating is a Class 5/9.

Insurance Services Office is recommending that the classification be changed to a split Class 2/10, with an effective date of 04/01/2011. The recommendation is based on a review of your community performed on 03/02/2010 and does include application of the Texas Addendum.

With a split Class 2/10, all class-rated properties located within 5 miles of a fire station will use Class 2. All class-rated properties located farther than 5 miles of a fire station will use Class 10.

Public Protection Classifications range from 1 (best) to 10 (worst).

We have reviewed the information provided and believe it is sufficient to grant approval. Enclosed is a PPC Submittal sheet indicating point totals for the major areas associated with the review. We will notify Insurance Services Office of our approval of the recommendation and of the 04/01/2011 effective date.

If you have any questions regarding this change, I may be reached at the address indicated above or by telephone at (512) 305-7941.

Please make sure all community officials and residents within your district are notified of the new Public Protection Classification rating for your community, and the effective date.

Sincerely,

Jesse James Williams
Deputy State Fire Marshal
PPC Oversight Officer
